

Versatility best describes the Hunter 460. Whether you want to cross oceans or bays, bang around the buoys or just live aboard, this boat has the capacity to do it all. The easily-driven hull is powered by an innovative B & R backstayless rig with all lines led aft for the ease of handling. A stainless arch is multi-purpose and holds lights, speakers, the optional bimini and the mainsheet attachment. All this keeps the cockpit clear and unobstructed.

Below, the dinette area is large enough to handle the crew, but intimate enough for just two. Storage is plentiful as is the natural light and ventilation. Hand-rubbed teak and exquisite fabrics are in evidence throughout the grand interior. An innovative forward head arrangement splits the shower and head so both can be used at once.

An enormous dual-opening refrigerator and freezer are central to the U-shaped galley. A Force 10® stove and oven plus a microwave will make dinners a joy to make while

the island sink will have cleanup covered. Storage for everything is close at hand, including the recessed trash receptacle.

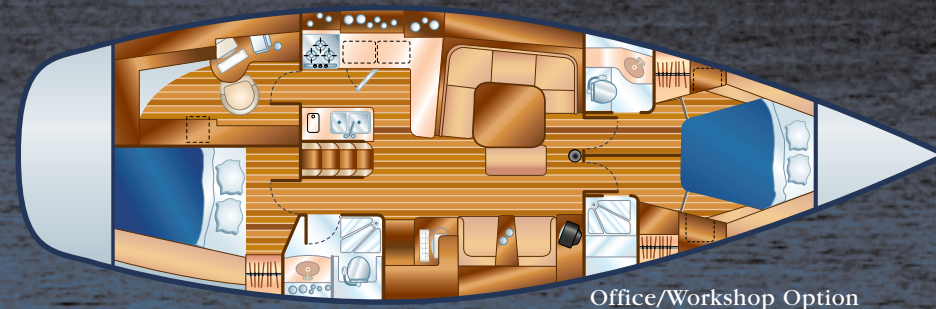

The forward master stateroom rivals most yachts twice her size. Twin hanging lockers and lots of drawers make staying aboard easy and a great night's sleep is guaranteed by the inner-spring mattresses.

Entertaining is gracious with the open salon which incorporates a TV and CD stereo. Twin comfortable seats

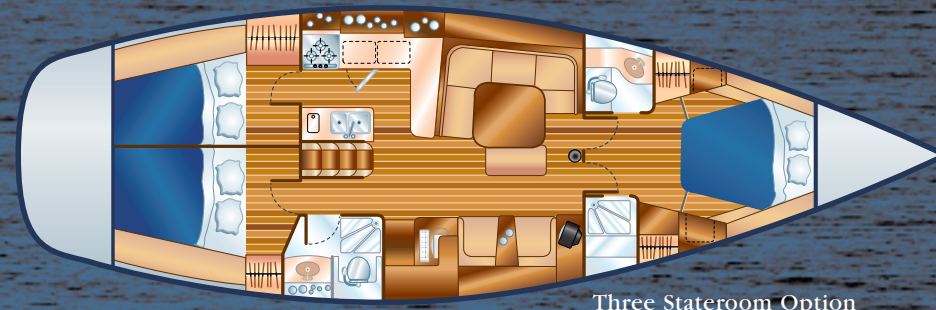

and a convertible cocktail table are located just forward of the extensive nav station with plenty of space for electronics and gear.

Aft, you have a choice of two layouts — you can choose dual staterooms or trade one in for an office or work area. Both are large, airy and comfortable. No matter what your needs we have the boat for you. See your nearest Hunter dealer for the time of your life!

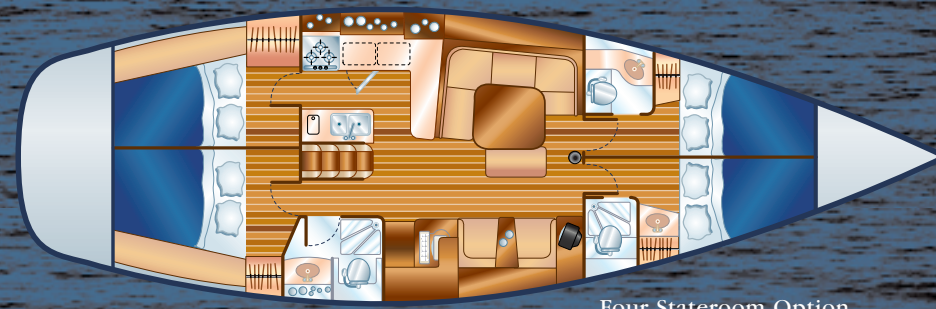

Length Overall	46'1"	14.05 m
Hull Length	44'3"	13.49 m

We Go The Distance.

The Hunter Marine Team is committed to crafting the best boat possible.

To this goal we continue to develop innovative and affordable solutions to sailing's challenges, for this and the next generation of sailboats.

It is our desire that your time on the water be the basis of your fondest memories.

Featuring
MAXGUARD® LE

By bringing the cockpit full beam, it allows the use of a custom console complete with mechanical steering, electronics space, twin fold-down tables and even a storage bin with drinkholders.

The Hunter trademark cockpit arch keeps the adjustable traveler up and out of the way and makes a great attachment point

The standard recessed windlass allows the capability of handling two anchors simultaneously on the dual offset anchor roller.

An electric Lewmar balyard winch makes sail banding or going

Self-draining propane lockers on both port and starboard are convenient, safe and practical.

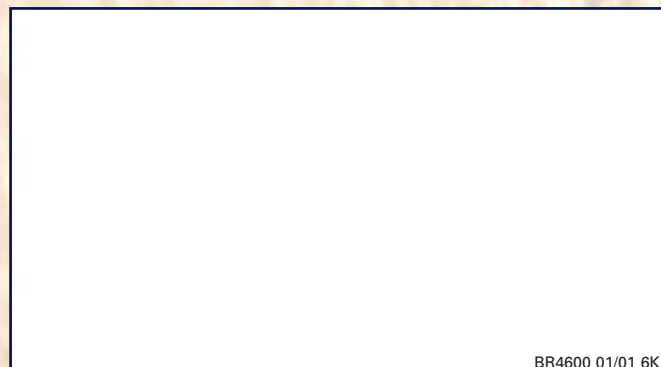

The forward master head is spacious and provides plenty of storage. VacuFlush™ heads are a great option.

The master shower is separate from the head giving extra privacy. A drop-down seat is even included for your comfort.

An aft head with integral shower is positioned for convenient access from the aft stateroom or from the salon.
